

Dear Parents and Guardians,

June 6, 2018

This email is to remind you about changes to the Code of Maryland school immunization requirements that became effective at the beginning of the 2014-2015 School Year. These changes affect **all incoming 7<sup>th</sup> grade students**.

Documentation of these new immunizations will need to be submitted to the school Health Room by **July 1, 2018**

Your child may have already received these vaccines, just ask your pediatrician's office to provide you an updated immunization record for the Health Room. Some doctor's offices are willing to fax the immunization records since they know they are mandatory. Our fax number is 301-881-6035. Please contact us with any questions at [nurse@stelizabethschoolmd.org](mailto:nurse@stelizabethschoolmd.org)
