

Saint Elizabeth School Commemorative Brick Campaign

Paving A Way to the Future

Leave a lasting legacy at St. Elizabeth School and support our students by participating in the **Commemorative Brick Campaign**. The campaign was launched in May 2001 and the bricks were installed to create a beautiful, commemorative walkway in front of the lobby of the new section of the school. Your custom engraved brick(s) will be inscribed with your choice of sentiment or names and added to the walkway. Think how excited the children will be as they walk past their own name or that of someone they love. **All proceeds from this program will benefit the students of Saint Elizabeth School and help you reach your fundraising obligation (50%).**

Sponsor a brick and have it engraved to your specifications. You can choose from two different levels of giving: a 4 x 8 Brick or an 8 x 8 Paver. Your brick or paver can be personalized with your choice of name or message, or dedicate a brick for a special occasion like Mother's Day, an anniversary, a birthday, or a memorial for a loved one. Bricks and pavers can be inscribed with scripture quotes, parish organizations or businesses. Once you have purchased your brick(s) or paver(s), you will receive a letter confirming your Commemorative Brick Campaign order.
