

Dear Friend,

Hi!

The American Heart Association's Heart Walk is right around the corner and your help is needed now more than ever!

I'm committed to doing all I can to help those affected by heart disease and stroke. I'm getting close to my fundraising goal. Will you please help me reach it?

I am walking and raising money in this inspirational event because I personally know some of the millions of Americans affected by heart disease and stroke (and you might too), and I want to do something about it. Since 1949, the association has contributed more than \$3.2 billion for heart and stroke research that has led to recent breakthroughs such as clot-busting drugs and drug-eluting stents.

I hope I can count on you to support my fundraising efforts and the great work of the American Heart Association and American Stroke Association! Please make your donation by using the links provided. With your help I will be one step closer to reaching my goal!

Thank you in advance for your generosity!

Elle Villines
