

End of Year Teacher & Staff Thank You Gift Fund

"It takes a village to raise a child." This saying could not be more evident than in the halls of St. Elizabeth School. From our strong academic, nurturing teachers and assistants to our support staff who keep St. Elizabeth School running smoothly, there are so many individuals who contribute to our school community and care for our children.

As we near the end of another academic year together, The Home and School Association is again organizing an end of year gift in order to demonstrate our collective appreciation for the staff of St. Elizabeth's. Please read below to find out how the Thank You Fund works and how you can contribute:

- The Home and School Association collects donations twice during the year: once for a Christmas gift and once for an end of the year gift.
- Gift cards will be given as a result of your donations to all teachers and staff members. All of the money will be collected and divided equally among ALL staff members.
- Family names will be listed on the letters of appreciation that accompany the gift cards.
- We recommend \$20 per child; however, any amount is appreciated.

To donate:

- Make all checks payable to St. Elizabeth School.
- Write "Thank You Fund" in the memo line. You may write one check for multiple child/class donations.
- **Send your check in a sealed envelope labeled "Thank You Fund, Attn: Mrs. Woo" and list your last name and your child's name on the envelope.**
- **Donations will be collected for the end of year gift cards from now until Friday, June 1st.** Thank you so much for your support.
- **YOU MAY ALSO CHOOSE TO DONATE THROUGH ONLINE GIVING.** (Please be aware of that you will be responsible for the convenience fee should you donate in this way.) Use this link to log-in to your account or to create a new account:
