

Multicultural Day

St. Elizabeth School
Friday, April 5, 2019
9:00 a.m. – 12:30 p.m.

On Multicultural Day, we will be celebrating the different cultures that make up our St. Elizabeth community. We are currently seeking volunteers who are interested in showcasing their family's culture and heritage. Children will get to sample ethnic foods, listen to traditional music, view artwork and clothing from many different cultures. It's going to be a fun-filled educational event. We look forward to learning more about the amazing cultures at St. Elizabeth School!

If you are interested in showcasing your heritage by assisting with Multicultural Day (table display, dance or song performance) or would like to help with the planning or volunteer on that day, please email Martha Rubio at mhidalgorubio@hotmail.com
