

The 3 1/2 Stories of Christmas

The 3 1/2 Stories of Christmas stars Frank Runyeon (from General Hospital, LA Law, Melrose Place and others). From the light of Creation to the manger in Bethlehem, from the origin of St. Nick to the secret of the Christmas Angel himself, the story will delight children and adults as all the parts of the Christmas narrative are tied together for the first time.

The event will be held Saturday, December 15th, at 7:00 p.m. No tickets are needed; all are invited and welcome to attend.

Parts are available for children in grades K-4 (mostly angels and a few shepherds). A late afternoon rehearsal on December 15th is required. For more info, contact Mary Theresa Heneghan at mtheneghan@stelizabethchurchmd.org.

Christmas Eve at St. Elizabeth

The Frank Runyeon production (above) whimsically captures the story of Christ's birth from a child's perspective. For this reason, the visual component of the Christmas Eve liturgy this year will be a **simple and solemn re-enactment of the Gospel** as it is being proclaimed.

If your child (grades 2 through 5) would like to take part in this silent performance, please contact Mary Theresa, at mtheneghan@stelizabethchurchmd.org. Be sure to include your child's grade!

Children's

Christmas Choir

5:00 pm Christmas Eve Mass

Children in grades 2-6 will have the opportunity to sing at the 5:00 pm Christmas Eve Mass. Our new Director of Music & Worship, Maddie Booth, is organizing a "pop-up" children's choir to perform a song at the Children's Mass on December 24th.

If your child(ren) would like to participate, please contact Mary Theresa at mtheneghan@stelizabethchurchmd.org
