

Dear Parents and Guardians,

**Back by popular demand!**

On Thursday, March 28, from 7:00 p.m. - 8:30 p.m. in the St. Elizabeth Church Commons. Keeping children safe while using technology is on the minds of all parents. This presentation will equip and empower you to address the many teachable moments that occur when accessing the internet. Sensitive topics such as predatory behavior and sexting will be addressed. *Stolen Innocence* is one of the most successful programs offered to communities by the U.S. Attorney's Office.

Join us for our Parent Presentation:

***Innocence Stolen: Protecting Our Children Online***
