

ST. ELIZABETH CATHOLIC SCHOOL

Community Outreach 2018-2019

#ChooseKind

Dear Parents and Guardians,

Our Community Outreach is an integral part of the vision and mission of St. Elizabeth School. This year, we are excited to rally around #ChooseKind. Throughout the year we will be learning different ways we can Choose Kind. Many times, we don't know that our acts of kindness impact others so greatly. It is for these reasons, we look forward to everyone joining this amazing journey to choose kind and highlight kindness! Please see below for a year full of #Choose Kind activities:

Comfort Cases: This Fall we will have our first school wide Outreach Drive to support Comfort Cases: www.comfortcases.org. This will be our second year supporting this charity that helps children in foster homes receive backpacks full of items that help their transition into foster care be one full of kindness and comfort. A letter will go out in October with additional information on what we can do to support this local charity.

Blessing Bags: This Spring we will hold a drive for materials to create Blessing Bags. Blessing Bags are large zip lock bags full of items that are helpful to the homeless in our community. Students will be given the option to create their own bags and/or create bags to be distributed by volunteers from school.

Gannon Food Drive: In addition to the Fall and Spring Outreach Drives, we will continue with the annual Greg Gannon Food Drive in November.

TAG Days: These out-of-uniform days for a cause have been set up throughout the year to help support both local and global charities. We will be posting information on our Outreach page throughout the year if you would like more information on what charities we support through our TAG days. Many times, children are asked to wear a specific color for a TAG day. These are great opportunities to discuss with each other what the color stands for, and why we are donating to the specific charity.

Thank you for your constant support, encouragement, and help!
