

# SANTA'S WORKSHOP

## December 6 – 10, 2021

From December 6 - 10, your children will visit Santa's Workshop! Their teacher will remind them of their shopping day and time. The class shopping schedule is included below.

We ask that you review with your child who they would like to buy for and how much money they can spend. On their assigned day, please send in cash or a check written to St. Elizabeth School and a plastic or canvas grocery bag to bring home their wrapped gifts. (If you provide an envelope with your cash or check, your child can return it to you with any change.) All of the gifts in Santa's Workshop are priced between \$1 and \$7, and no tax is charged.

Each class will be given approximately 30 minutes to shop and there will be parent volunteers to help the children make decisions and wrap their gifts.

The children really enjoy the workshop and putting gifts they have hand selected under the Christmas tree. Parents and family members are also touched to see the items their children have picked out just for them!

If you have any questions, please feel free to send an email to [stasantasworkshop@gmail.com](mailto:stasantasworkshop@gmail.com). We look forward to seeing your child at Santa's Workshop!

Merry Christmas,  
The Santa's Workshop Committee

# SANTA'S WORKSHOP SHOPPING LIST

Please have your child bring this form or a list of who they are shopping for, money/check in a Ziploc bag, a reusable shopping bag and (if possible) gift labels that have been filled out!

REMINDER: All items at Santa's Workshop range in price from \$1 to \$7. Santa's Workshop does not have any sales tax.
