St. Edna

Dear Parents and Guardians,

Each year, 50 some FABULOUS St. Elizabeth School Moms and Dads step forward to take a lead role to chair or co-chair a St. Elizabeth School Home and School Association (HSA) committee or event. All of these parents are part of our amazing HSA Team or Executive Board. We are so incredibly blessed to have such a talented and dedicated group of volunteers. There is no doubt, the HSA provides our students, staff and families with countless fun and community-building events.

With our 4th quarter rapidly approaching, now is the time to put out our St. Elizabeth School Call for Nominations for the 2022-2023 Home and School Association Executive Board and Committee Chairs.

Please consider what [HSA](#) role YOU would like to have for the coming year. We encourage you to nominate yourself and others who you think would be great for a position.

Not yet sure which position? [Check out the HSA Executive Board, Committee and Event Chair descriptions](#), or contact on the 50 plus current [Chairs/Board members](#) to learn more about what each position entails.

[Please submit nominations here.](#)

All nominations are confidential and seen only by thy current HSA Executive Board members, Ms. Penny and Mrs. Cocozzella, who serve as the Nominating Committee. Questions? Contact Deborah Ruddy, steshsapresblueteam@gmail.com or Melissa Alexander, steshsapreswhiteteam@gmail.com, our AMAZING HSA Co-Presidents for 2021-22 and Chairs of the Nominating Committee.

I am forever grateful to our incredible HSA volunteers, and I look forward to working with next year's team.

Thank you, for considering how you can best use your talents to help our school.

Faithfully yours,

Mary Penny
